GUIDON

Federal Capability Statement.

VETERAN-FOUNDED. MISSION-FOCUSED. PEOPLE-MINDED.

Guidon is an architecture and engineering firm delivering planning, design, and technical support services for federal agencies nationwide. Founded in 2011, the firm has grown to a team of 85+ professionals and has completed more than 500 projects across 55+ VA and DoD installations. As an SDVOSB, Guidon supports healthcare, laboratory, and mission-critical facilities through new construction, major renovations, and campus infrastructure improvements. Our team understands federal design criteria and project delivery requirements and works closely with stakeholders to deliver practical, compliant solutions that support successful project execution.
